BARNWELL INDUSTRIES, INC. REPORTS RESULTS FOR THE FIRST QUARTER ENDED DECEMBER 31, 2011

HONOLULU, HAWAII, February 8, 2012 -- Barnwell Industries, Inc. (NYSE Amex: BRN) today reported a net loss of \$282,000 (\$0.03 per share – diluted) for the three months ended December 31, 2011, as compared to net earnings of \$1,085,000 (\$0.13 per share – diluted) for the three months ended December 31, 2010.

Mr. Morton H. Kinzler, Chairman and Chief Executive Officer of Barnwell, commented, “Operating results for the three months ended December 31, 2011 decreased as last year’s quarter ended December 31, 2010 included the receipt of \$2,656,000 for the last of ten scheduled option payments relating to the development rights within Hualalai Resort at Kaupulehu in the North Kona district on the island of Hawaii and \$600,000 in percentage of sales payments, while no such payments were received in the current quarter. Operating results also declined due to lower natural gas prices, which declined 9%. These declines were partially offset by a 30% increase in net oil production and a 22% increase in oil prices.”

The information contained in this press release contains “forward-looking statements,” within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. A forward-looking statement is one which is based on current expectations of future events or conditions and does not relate to historical or current facts. These statements include various estimates, forecasts, projections of Barnwell’s future performance, statements of Barnwell’s plans and objectives, and other similar statements. Forward-looking statements include phrases such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “predicts,” “estimates,” “assumes,” “projects,” “may,” “will,” “will be,” “should,” or similar expressions. Although Barnwell believes that its current expectations are based on reasonable assumptions, it cannot assure that the expectations contained in such forward-looking statements will be achieved. Forward-looking statements involve risks, uncertainties and assumptions which could cause actual results to differ materially from those contained in such statements. The risks, uncertainties and
